FLOUR WORTH \$950,000,  
DESTINED FOR EXPORT,  
SEIZED IN NEW YORK

NEW YORK, September 16.—It  
became known Friday that the  
Food Administration Grain  
Corporation Wednesday took  
over 80,000 barrels of flour in-  
tended for export to Norway  
and other countries to be  
distributed among New York  
bakers. The flour is worth \$950,  
000. The move was dictated, it  
was said, by fear of a flour  
famine. The seizure, and the  
possibility of taking 100,000 more  
in the same manner, if necessary,  
removes danger of a shortage.

The flour was on railroad piers  
in Jersey City, awaiting ship-  
ment abroad, when it was taken.

It requires 25,000 barrels of  
flour a day to supply the metrop-  
olitan district. Within the last  
day or two receipts have risen to  
10,000 or 15,000 barrels over  
consumption. —St. Louis Globe

## 11,538,000,000 War Bond Measure Passed By Senate.

World's greatest finance Bill  
adopted without a Roll Call.

Draft.

Smoot to meet house Delegation  
Today.

By Associated Press.

Washington, Sept. 16.—The  
war credits bill, authorizing new  
bonds and certificates aggregat-  
ing \$11,538,000,000, the largest  
measure of its kind in the  
world's history, was passed by  
the Senate yesterday without a  
roll call or dissenting vote. It  
had already passed the House  
and will go to conference Mon-  
day.

Senators Stone, Smith of  
Georgia and Smoot were named

## 5000 JEWISH SOLDIERS TO TRAIN AT CAMP UPTON

New York, September 16.—  
what is said to be the largest  
military force of Jews assem-  
bled at one camp in this country  
will be at Camp Upton, Yaph-  
ank, Long Island by the Day of  
Atonement, which falls on  
September 28, and arrangements  
have been made by Major  
General J. Franklin Bell to grant  
furloughs to the members of the  
faith who desire to observe the  
day.

It is estimated that 5000 Jews  
will be in the camp by that time.  
The physical examination of  
half the recruits at Camp Upton  
shows only 3 per cent unfit for  
military duty and recommended  
for discharge.

Instead of trying to send forty  
per cent of the new national  
army men to Camp Upton next  
Wednesday, as proposed, it is  
probable detachments will be sent  
every day for a week or more,  
starting Wednesday. It has been  
found that to try to transport  
12,000 men to the Long Island  
encampment in two days would  
overtax the railroad facilities  
and result in confusion in the  
camp.

## Reports Indicate U-Boat Attack Off Nantucket.

By Associated Press.

AN ATLANTIC PORT, Sept.  
16.—Evidence that an enemy  
submarine has begun depreda-  
tions in American waters was  
brought here yesterday by two  
steamships, which Friday morn-  
ing picked up wireless "S. O. S."  
calls indicating that a ship was  
being shelled by a U Boat near  
Nantucket Lightship.

One ship receiving the distress  
calls was a British freighter and  
the other an American tanker.  
Both reported the scene of the  
attack as about sixty miles east  
of Nantucket and the time about  
3 o'clock Friday morning. The  
identity of the submarine's  
victim was not learned by either  
vessel, as far as is publicly  
known.

According to the commander  
of the British vessel the mes-  
sages said the ship was being  
shelled and reported her position  
but only a part of her name  
could be heard—the word  
"Abby" which is the last name  
of several ships in Atlantic  
trade.—St. Louis Globe Demo-
